Press Release

Collection Associates Ltd. Selected as One of The Leading Collection Professionals of the United States

Brookfield, WI, March 17, 2009: Collection Associates Ltd., a leading provider of collection services, today announced that it has been selected by Goldline Research as one of the leading Collection Professionals of the United States for 2009. The list of leading Collection Professionals of the United States is scheduled to be published in the March 30th issue of Forbes Magazine.

"We are humbled to receive this recognition. We believe it is a tribute to our employees, and to the many clients who have placed their trust in us over the past 25 years." - Adam Dobberstein, Owner

"The selected providers truly distinguished themselves during our evaluation of the industry," said Dana Mahoney, Analyst, Goldline Research. "Those firms that were selected met or exceeded every expectation we have for a holistic, client-centric approach."

Goldline Research conducted its annual evaluation of collection professionals of the US from November 2008 through early February 2009. During the research process, Goldline Research identified more than 1,700 collection agencies throughout the country.

About Collection Associates Ltd.

Collection Associates, Ltd. (www.collectionassociates.net) has been in business since 1982, serving a variety of clients in Wisconsin and throughout the Midwest. While its core business remains healthcare collections, the company has developed a strong presence in commercial, financial, and other retail markets. Now operated by second-generation-owners Adam and Marc Dobberstein, both attorneys, Collection Associates, Ltd. will continue to deliver superior results to its clients while adhering to the highest ethical standards.

About Goldline Research

Goldline Research (www.goldlineresearch.com) is an independent market research firm that specializes in evaluating professional services providers to help consumers identify and select leading services firms. Goldline Research's proprietary research process includes market analysis, individual company interviews and, in many industries, interviews with consumers of those services to gain feedback on market conditions and provider service levels. Goldline Research's lists have been published in leading publications including local, regional and national magazines.
